Dear Examiner Pilkington:

The Applicant gratefully acknowledges Examiner's Notice of Allowance dated 10/25/2010, which also contains an Examiner's Amendment.

Regarding the Examiner's amendment corresponding to the Board of Patent Appeals and Interferences decision dated 8/16/2010, Applicant agrees with the cancellation of claim 1 and the amendment to claim 2. However, Applicant respectfully requests entry under 37 CFR § 1.312 of the following amendment to claims 3-10.

Please amend claims 3-10 to depend from allowed claim 2. No new matter is introduced by this amendment. Also, claim 8 is amended to correct two inadvertent spelling errors. A complete claim set is attached with the requested amendment indicated and with the Examiner's amendment to claim 2 indicated as previously presented.
